

SHOPPING IN PROVENCE

Provence offers a lot of opportunities when it comes to shopping, from high luxury French brands to souvenirs and traditional products... Through many different cities, Deluxe Drivers will take you to small little boutiques and large malls, suggesting you the best quality products. Perfumes, clothing, leather, soap, olive oil and souvenirs, let Provence expose you the secrets of its world famous products...

THE CITIES DESCRIPTION

LUXURY PRODUCTS

Channel, Max Mara, Villebrequin, Hermès, Longchamp, Louis Vuitton... Discover all the famous French brands in the Fabrot Street of Aix and Paradis street in Marseille. These two cities offer many luxury boutiques in the centre of town, famous and less famous ones, but always quality and that special French touch !

WINES

Vineyards in Provence are spoilt by nature, with the climate and soil conditions ideally suited to producing a huge variety of wines. Many wine shops exist, especially in Aix-en-Provence where some can even ship ... Deluxe Drivers will help you in France to find the wine you want.

ANTIQUES

French Antique shops are world famous, especially in the Provence area. You will be able to find objects and paintings, furniture, but also books or even maps... Two places you can not miss if you like antiques: l'Isle sur la Sorgue and the *Antiques village* just outside Aix-en-Provence, where you can find over 10 different shops...

SOUVENIRS

For classical souvenirs like tablecloths or provencal dishes, Les Baux de Provence and Arles are towns filled with small souvenirs shops, smelling lavender and generally hold by the same family for decades... Deluxe Drivers will help you avoid the commercial places.

LOCAL PRODUCTS

Olive oil, herbes de provence, perfumes, soap, pastis, calissons or lavender, Provence herbs, is famous for its local products, world wide. Let Deluxe Drivers take you through a range of different shops, all more authentic than the others.
